

International conference

On 4th February 2023, Tamralipta Mahavidyalaya's Department of **Commerce** and **Economics** jointly organized an international conference on '**Sustainable Development Goals: Post-Pandemic Challenges Before India.**' The conference was organized in collaboration with the Indian Accounting Association South Bengal Branch (IAASBB) and in association with IQAC of the college. The event saw over 300 participants who were interested in exploring the challenges that India faces in the post-pandemic world in achieving sustainable development goals.

Dr. Abdul Motin, Principal of Tamralipta Mahavidyalaya, delivered the welcome address to the attendees. Dr. Gourhari Manna, Associate Professor & Head, Department of Commerce, was the convener of the conference, and he also delivered a welcome address. The chief guest at the conference was Prof. Ambika Prasad Pati, Professor & Head, Department of Commerce, North Eastern Hill University, Shilong, Meghalaya, who addressed the attendees with his insightful thoughts on sustainable development goals and how India can overcome the challenges posed by the pandemic.

Apart from the keynote speakers, several other dignitaries delivered speeches at the conference. Dr. Pritiranjana Pahari, Associate Professor, Department of Zoology & IQAC co-ordinator at Tamralipta Mahavidyalaya, gave a welcome address. Professor Arindam Gupta, Professor, Department of Commerce, Vidyasagar University & Treasurer IAA, and Prof. Arindam Das, Professor, Department of Commerce, Burdwan University & Secretary IAA South Bengal Branch, also addressed the attendees with their views on the conference's theme.

The technical sessions during the conference were divided into three categories, and around 70 participants presented papers in these sessions. The papers covered a wide range of topics related to sustainable development goals in the post-pandemic world. Prof. Mohua Ray from the Department of Economics presented a paper on the topic of "An Analysis of The Causes of Low Female Labor Force Participation in India on the basis of PLFS Data." On the other hand, Mr. Rajib kr Dolai presented a paper on the topic of "Fluctuation analysis of Agricultural GDP in India during the period 1960-61 to 2012-13."

The conference also had Dr. Kajalbaran Jana, Associate Professor, Department of Commerce, Tamralipta Mahavidyalaya & Conference Secretary & Vice President (jr.) IAA South Bengal Branch, as the session coordinator. The event's success can be attributed to the hard work and dedication of the organizers who ensured that the conference was informative and engaging for the participants. Overall, the conference was a great opportunity for scholars, experts, and participants to exchange ideas and discuss solutions for the challenges faced by India in achieving sustainable development goals post-pandemic.
