

National Level Webinar

On 16.02.2022, Wednesday, a national level webinar was held jointly by the Departments of Education and Economics in collaboration with IQAC on the topic –‘The importance of Value and Peace Education: Its role on Economic Development’. The event was a huge success, with nearly 200 participants from across the country joining the event with great enthusiasm. The welcome address was given by Prof. Mohua Ray, Assistant Professor and HOD, Economics, and it was followed by the inaugural speech of Dr. Abdul Motin, the Principal of the college. The event had two eminent resource persons, Dr. Jayadeba Sahoo, Professor, Faculty of Education and Languages, Rajib Gandhi (Central) University, Arunachal Pradesh, and Dr. Sachinandan Sau, former Professor and Head, Department of Economics, Vidyasagar University, West Bengal. Both the resource persons delivered their speeches with great insight and knowledge on their respective topics. Dr. Krushna Chandra Patra introduced the first speaker and provided the highlights of his academic achievements. Dr. Jayadeba Sahoo spoke on Peace Education for Sustainable Development, while Dr. Sachinandan Sau spoke on the importance of Value and Peace Education in Economic Development and its Relevance in Modern Society. The event was followed by a questionnaire session, moderated by Dr. Krushna Chandra Patra, where most of the participants actively interacted with the resource persons. The webinar was concluded by the speech of Dr. Priti Ranjan Pahari, Associate Professor of Zoology and Coordinator, IQAC, and it ended with the vote of thanks by Prof. Mohua Ray. Mr Rajib Dolai along with the seminar team of the college provided excellent technical support. The national-level webinar was successful in achieving its objective of emphasizing the significance of value and peace education in the economic development of a country. The participants gained valuable insights from the esteemed resource persons, and the event successfully shed light on the critical role played by value and peace education in building a better society.
