Aim of the Workshop

Commerce Education comes with an objective to enable students with hands on training in accounting, taxation, management, finance, trade and businesses. Without commerce the world will not move a step forward. To enable human resources to a creative one commerce education plays thus crucial role. Higher education in this field includes M. Com in different stream, MBA in different stream, CA, ICMA, CS, etc. Those who will not feel interest in higher education they can easily go for various competitive exam, like, IAS, IPS, Audits & Accounts (only for commerce students), IRS etc. Besides such competitive exam students can easily opt. for various clerkship exams conducted by state agencies, central agencies or private bodies. More over banking, insurance fields are open to commerce students to flourish their future life. So, skill enhancement is the only way to flourish. Such skill enhancement requires systematic training with well guided motivational and theoretical back ground.

In our Commerce department, Tamralipta Mahavidyalaya, we regularly try our best to give the best possible theoretical background and hands on training in computer learning in accountancy, taxation etc. We also regularly hold various workshops and seminars and field training to build their ability with the reality. Presently for taking admission in M. Com course a B. Com course to central university a graduate need to pass Common University Entrance Test (CUET) and sometime university specific entrance test.

Considering the importance of Post Graduate degree in commerce, Department of Commerce, Tamralipta Mahavidyalaya with the active support of Career Counselling Cell of this institute offers guidance to the final year students for different entrance test for post graduate course in commerce i.e. M.Com in different streams and provides guidance for different professional courses like CA, CMA, CS, MBA etc. various competitive exams.

Key takeaways/ Outcomes:

Students are able to-

1. gather information about the post graduate entrance test in commerce all over the country.
2. know about the syllabus and question pattern of the test.
3. gather information about different professional courses like CA, CMA, CS, MBA etc.
4. know how to manage the time at the exam hall and trick to answer the MCQ question.
5. regular assessment and hands on training

GUIDANCE PROGRAM ON ENTRANCE TO POST GRADUATE COURSES

**DEPARTMENT OF BENGALI
TAMRALIPTA MAHAVIDYALAYA
TAMLUK, PURBA MEDINIPUR**

AIM OF THE PROGRAMME

In modern era, education is neither confined within the four walls of an educational institution nor in limited time duration. In the context of globalization, the students of under graduate level are not merely taught to pursue their B.A./B.Sc./B.Com. degree, rather to prepare them for higher education and job placement. Keeping this in mind, the Career Counselling Cell of our college has taken many initiatives. Guiding the students to crack P.G. entrance test of central universities is one of them. With the collaboration of the different departments of the college, the Career Counselling Cell has carried out the job of guiding the under graduate students to crack P.G. Entrance tests effectively. The department of Bengali is not an exception of it.

The Department of Bengali with the help of Career Counselling Cell has been guiding the final year students to prepare themselves to take admission in Post Graduation programmes in Bengali. The department has also guided them for their all round development of personality as well as to prepare themselves to enter into this competitive job market. The departmental teachers have taught them different aspects of Bengali grammar, history of Bengali literature and other allied topics of Bengali literature required for them. We hope the Career Counselling Cell of our college will reach its peak with the help of different departments.

Guidance Program on Entrance to post Graduate Courses

Department of Botany
Tamralipta Mahavidyalaya
Tamluk - 721636, Purba Medinipur
2022-23

AIM OF THE PROGRAM

Under the spectrum of Globalization, the role and activity of the Higher Educational Institutions (HEI) are drastically changing. Nowadays the role of HEI is not limited to producing graduates and degree holders, but it has to play a vital role in the development of its human resources so that these resources can contribute to the upliftment of the society and take active participation in the nation-building process. The career counseling and the guidance cell aims at enhancing the quality and skillful education for the students and endeavors to give the students full exposure and make them well-equipped to meet the demands of the competitive market. Since the present era is a competitive era, the ideology 'Survival of the fittest' is most applicable. By considering the situation seriously, the said Cell undertakes some deliberate measures for the benefit of the students, so that they can be mentally, technically, and physically sound.

With this vision in mind, the Department of Botany, Tamralipta Mahavidyalaya in support with the Career Counseling Cell of the Institute recognizes the need to guide and mentor the outgoing final semester students for various entrance tests to post-graduate courses. Earning a Post-graduate degree may help to gain specialized knowledge to advance in any respective field. It can also be an outstanding way to advance the already existing knowledge and have exposure to field experience. Such enhancement of knowledge level can be a boost to the next higher level in building one's career.

Undergraduate college level education often possesses certain levels of limitations which can easily be encountered at post graduate level. So the Department always encourages its students to progress to the next higher level of education that can make them competent enough to strive through the competitive market and secure earning potential.

GUIDANCE PROGRAM ON ENTRANCE TO POST GRADUATE COURSES

*ORGANIZED BY
THE DEPARTMENT OF EDUCATION*

OBJECTIVES OF THE PROGRAM

The Indian higher education system is one of the largest such systems in the World. Indian higher education system has undergone massive expansion in post-independent India with a national resolve to establish several Universities, Technical Institutes, Research Institutions and Professional / Non-professional Colleges all over the country to generate and disseminate knowledge coupled with the noble intention of providing easy access to higher education to the common Indian.

According to the National Education Policy (NEP) -2020, higher education plays an extremely important role in promoting human as well as societal wellbeing and in developing India as envisioned in its Constitution - a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. Higher education significantly contributes towards sustainable livelihoods and economic development of the nation. As India moves towards becoming a knowledge economy and society, more and younger Indians are likely to aspire for higher education.

Given the 21st century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals. It must enable an individual to study one or more specialized areas of interest at a deep level, and also develop character, ethical and Constitutional values, intellectual curiosity, scientific temper, creativity, spirit of service, and 21st century capabilities across a range of disciplines including sciences, social sciences, arts, humanities, languages, as well as professional, technical, and vocational subjects. A quality higher education must enable personal accomplishment and enlightenment, constructive public engagement, and productive contribution to the society. It must prepare students for more meaningful and satisfying lives and work roles and enable economic independence.

To fulfill the objectives envisaged in the NEP-2020 in relation to the higher education, it became necessary to give exposure to the university education to the students completing under graduate courses. Education is a demanding subject having wide horizon of opportunities. However, a few universities and some colleges offer Post Graduation in education only. Therefore, the seats for Post Graduation in education are limited in numbers. Moreover, there is no uniform admission system in all the institutions. Some of them take students on the basis of entrance test and others take on the basis of marks secured in 6th semester examination. Students neither get adequate guidance to crack entrance tests nor information about the admission procedures.

Keeping these in mind, the Department of Education, Tamralipta Mahavidyalaya in support with the Career Counseling Cell of the Institute has organized a free guidance program

for the students of 6th Semester, Education honours to facilitate their admission in the universities.

PROGRAM SCHEDULE FOR GUIDANCE TO ENTRANCE TESTS

| Date | | 1.30pm-3.30pm | 3.30pm-5.30pm |
|-----------------|---------------------|--|---|

Program
Departement of English**

AIMS OF THE CAREER GUIDANCE PROGRAMME

The Career Guidance Programme, annually organized by the Department of English, Tamralipta Mahavidyalaya, is to equip the students passing out from the Department sufficiently so that they are capable of meeting the challenges of gaining entry to courses of higher education at the university level. This Programme prepares the students to sit for various entrance examinations to the postgraduate courses across the country.

During this Programme, students are educated on advanced areas of literary criticism that are beyond the purview of their UG syllabus but are essential in order to provide them with sufficient know-how to approach the entrance examinations as well as various competitive examinations like NET/SLET which they can take at a later date.

Benefits Of Career Guidance Programme:

Personalized Guidance: The Guidance Programme provides personalized guidance, support, and resources to help individuals make informed career decisions that align with their interests, skills, and values.

Skill Development: The Guidance Programme in identifying the skills needed for success in a chosen career.

Support during Transitions: The Guidance Programme offers support and guidance during the crucial transition from the UG to the PG level.

Identifying Career Goals: Based on the assessment, the Department helps identify short-term and long-term career goals and develops a realistic plan.

Exploring Career Options: The Department provides information on various postgraduate programmes offered by institutions at both local and national level.

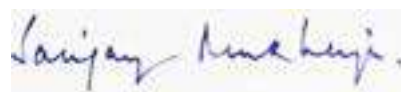

NOTICE
Department of English

Date: 12.04.2023

This is to notify for all concerned that the Department of English will organize a Guidance Programme for the final semester (Semester VI) students in order to facilitate them to appear in various entrance examinations to post graduate courses and competitive examinations. The time and schedule for the above program is as follows:

| Date | Time |
|------------|----------------------|
| 29.04.2023 | 10.30 am to 03.30 pm |
| 6.05.2023 | 10.30 am to 03.30 pm |
| 13.05.2023 | 10.30 am to 03.30 pm |

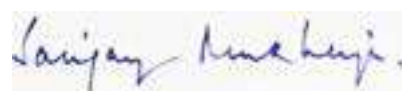

All the students of Semester VI are instructed to attend the programme in order to gain necessary know-how for competitive/entrance examinations.

SUMMARY REPORT ON CAREER GUIDANCE PROGRAMME

DEPARTMENT OF ENGLISH, SESSION:2022-23

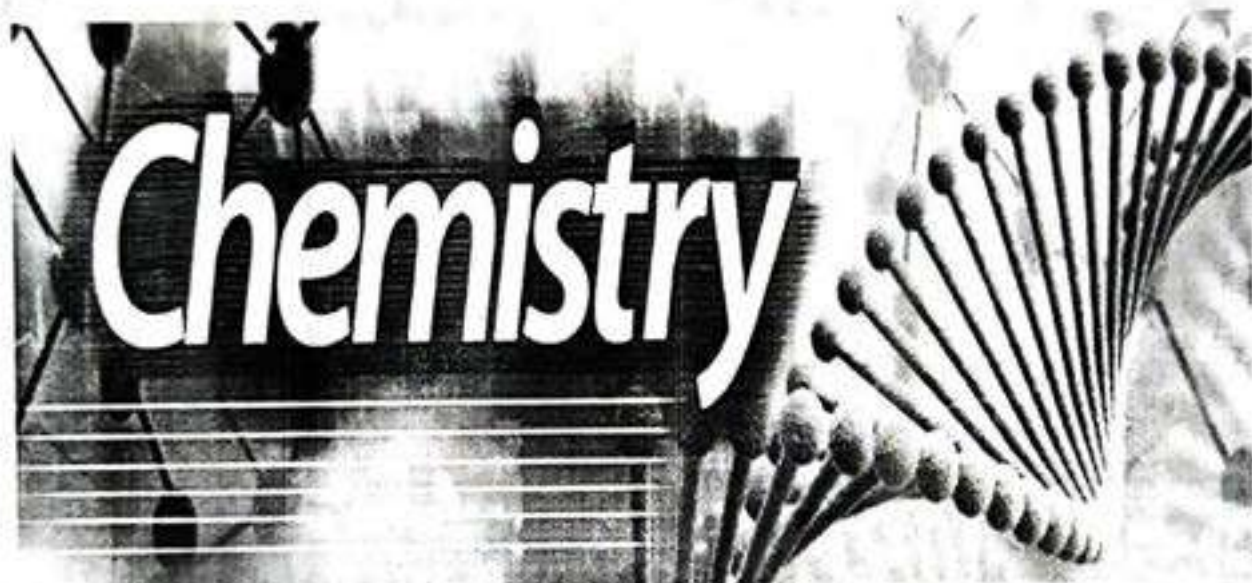

As the regular practise of the Department of English, Tamralipta Mahavidyalaya, the Department has organized a Career Guidance Programme for all the students of Semester VI 2022-23. In this program Dr. Sanjay Mukherjee, Prof. Madhurima Neogi, Prof. Surajit Senapati and Mr. Purnendu Pattanayak have acted as resource persons. All the resource persons have explored areas of pertinent academic interest that are beyond the purview of the syllabus taught at the undergraduate level with the aim that the advanced knowledge would assist them in various competitive examinations as well as entrance tests to various Postgraduate programmes across the country. The students participated enthusiastically in the programme and made it a success via their interest and dedication. Following table shows the number of students who participated and benefitted in this career guidance program.

| Semester/Year | No. of Students Participated | Duration of the programme |
|----------------------|-------------------------------------|----------------------------------|
| 2022-23 | 60 | 15 hrs. |

Head of the Department

**Comprehensive Guidance
Programme on Entrance to
MSc in Chemistry: 2022-2023**

AIM AND BASIS OF THE GUIDANCE PROGRAMME

Guidance for higher education, especially for MSc programme, is crucial for UG students as it helps them make informed decisions about their academic and career paths. Here are some key points on why guidance for higher education is essential:

- **Clarification of Goals:** Guidance can help students clarify their educational and career goals. It assists them in understanding their interests, strengths, and weaknesses, which are essential for choosing the right educational path.
- **Selection of Programs and Institutions:** There are numerous universities, colleges, and programs available, and selecting the right one can be overwhelming. Only the experienced teachers can provide information about various institutions and their offerings, helping students choose the best fit.
- **Financial Planning:** Higher education can be expensive. Guidance can include information on scholarships, financial aid options, and budgeting, helping students and their families plan for tuition costs.
- **Career Path Exploration:** Higher education often serves as a stepping stone to a specific career. Guidance can involve career assessments and information on various professions to help students make informed choices about their majors and future careers.
- **Application and Admission Support:** The application process for higher education can be complex. Guidance counsellors can assist with preparing application materials, meeting deadlines, and navigating admission requirements.
- **Academic Support:** Once students are enrolled, they may need guidance on academic success strategies, study skills, time management, and resources available on campus.
- **Mental Health and Well-being:** The transition to higher education can be stressful. Guidance counsellors can provide support and resources for students' mental health and well-being.
- **Networking Opportunities:** Guidance can also include information about networking opportunities, internships that can enhance a student's educational experience and future career prospects.
- **Personal Development:** Guidance isn't just about academics; it can also involve personal development. Counsellors can help students develop essential life skills like problem-solving, decision-making, and communication.
- **Adapting to Change:** Higher education often involves significant changes in a student's life. Guidance can help students adapt to new environments and challenges.
- **Post-Graduation Planning:** Guidance should not stop at post-graduation. It can also encompass research planning, including job searching, graduate school applications, and long-term career planning.
- **Access to Resources:** Guidance counsellors have access to a wealth of resources and information that can benefit students, including academic databases, career databases, and contacts with professionals in various fields.

In summary, guidance for higher education is essential for helping students make informed decisions, navigate the complex process of applying to and succeeding in higher education, and ultimately achieve their educational and career goals. Students, parents, teachers, and guidance counsellors should work together to provide the necessary support and information throughout the higher education journey.

MESSAGE TO OUR BELOVED STUDENTS

Certainly, pursuing a postgraduate program in chemistry is a great choice if you have a strong interest in the subject and want to advance your knowledge and skills. Here is a step-by-step guide to help you navigate the process:

- **Self-Assessment:**
 - Evaluate your interest in chemistry: Make sure you have a genuine passion for the subject as PG programs can be demanding.
 - Reflect on your long-term goals: Consider what you hope to achieve with a PG degree in chemistry, such as research, teaching, or industry work.
- **Choose Your Specialization:**
 - Chemistry is a broad field with various specializations (organic, inorganic, physical, analytical, biochemistry, etc.). Decide which area of chemistry interests you the most.
- **Research Programs and Universities:**
 - Look for universities or colleges that offer PG programs in your chosen specialization.
 - Consider factors like location, reputation, faculty expertise, and available resources.
- **Admission Requirements:**
 - Review the admission requirements for each program. Typically, you'll need a bachelor's degree in chemistry or a related field with a strong GPA.
 - Check if there are specific entrance exams required, such as the GRE or subject-specific tests.
- **Prepare Application Materials:**
 - Prepare your academic transcripts, letters of recommendation, statement of purpose (SOP), and resume/CV.
 - Craft a compelling SOP that explains your motivation, research interests, and career goals in chemistry.
- **Financial Planning:**
 - Research funding options such as scholarships, assistantships, and grants. Many universities offer financial aid to PG students.
 - Explore external scholarships or grants from organizations related to your field.
- **Application Submission:**
 - Follow the application deadlines carefully and submit your application along with the required documents online.
 - Pay application fees if applicable.
- **Prepare for Interviews:**
 - Some programs may require an interview as part of the selection process. Be prepared to discuss your academic and research background.
- **Acceptance and Enrolment:**
 - Once you receive acceptance letters, carefully review them and make your final decision.
 - Complete enrolment requirements, including submitting any required documents and paying enrolment fees.
- **Plan Your Curriculum:**
 - After enrolling, work closely with your academic advisor to plan your course of study and research projects.
 - Consider elective courses that align with your research interests and career goals.
- **Engage in Research:**

21.2.23

H. O. D.
Department of Chemistry
Tamralipta Mahavidyalaya
Tamluk, Purba Medinipur

- If your program includes a research component, actively participate in research projects and collaborate with faculty members.
- Build strong relationships with professors and peers for networking and mentorship.
- **Network and Seek Opportunities:**
 - Attend seminars, conferences, and workshops to expand your knowledge and network with professionals in your field.
 - Look for internships or job opportunities related to your specialization.
- **Thesis or Research Project:**
 - If your program requires a thesis or research project, choose a topic that aligns with your interests and work diligently on it.
- **Prepare for Post-Graduation:**
 - Update your CV and prepare for job interviews or further academic pursuits if you plan to pursue a PhD or enter the workforce.
- **Stay Informed:**
 - Stay updated on the latest developments and trends in your field by reading scientific journals and publications.

Dear Students, always remember that pursuing a PG program in chemistry can be intellectually rewarding but also demanding. It is essential to stay committed, seek help when needed, and continuously strive for excellence in your studies and research. Good luck with your journey into the broader field of chemistry.

NOTICE

This is to notify for all concerned that we are going to organize a guidance programme entitled "**Comprehensive Guidance Programme on Entrance to MSc in Chemistry: 2022-2023**" for the final semester (Semester VI) students of Chemistry Honours. This will facilitate them to appear in various PG entrance examinations. The programme will be started on and from 1st March, 2023 and will continue till 15th May, 2023. The detailed class schedule for this guidance programme is attached herewith.

All Honours programme students of semester VI are requested to attend these special guidance classes for benefit of their future academic prospects.

**Guidance Programme On
Entrance to Post Graduate Courses
2022-2023**

**PG Department of Zoology
Tamralipta Mahavidyalaya
Tamluk – 721636, Purba Medinipur**

AIM OF THE PROGRAMME

Under the spectrum of Globalization, the role and activity of the Higher Educational Institutions (HEI) are drastically changing. Nowadays the role of HEI is not limited to producing graduates and degree holders, but it has to play a vital role in the development of its human resources so that these resources can contribute to the upliftment of the society and take active participation in the nation-building process. The career counseling and the guidance cell aims at enhancing the quality and skillful education for the students and endeavors to give the students full exposure and make them well-equipped to meet the demands of the competitive market. Since the present era is a competitive era, the ideology ‘Survival of the fittest is most applicable. By considering the situation seriously, the said Cell undertakes some deliberate measures for the benefit of the students, so that they can be mentally, technically, and physically sound.

With this vision in mind, the PG Department of Zoology, Tamralipta Mahavidyalaya in support with the Career Counseling Cell of the Institute recognizes the need to guide and mentor the outgoing final semester students for various entrance tests to post-graduate courses. Earning a Post-graduate degree may help to gain specialized knowledge to advance in any respective field. It can also be an outstanding way to advance the already existing knowledge and have exposure to field experience. Such enhancement of knowledge level can be a boost to the next higher level in building one’s career.

Undergraduate college level education often possesses certain levels of limitations which can easily be encountered at post graduate level. So the Department always encourages its students to progress to the next higher level of education that can make them competent enough to strive through the competitive market and secure earning potential.

NOTICE

19/04/2023

This is to notify for all concerned that the PG Department of Zoology will organize a guidance programme for the final semester (Semester – VI) students to facilitate them to appear in various entrance examinations to post graduate courses. The time and schedule for the above programme is as follows –

| Date | Time |
|-------------|--------------------------|
| 02/05/2023 | 10:30 a.m. to 03:30 p.m. |
| 04/05/2023 | 10:30 a.m. to 03:30 p.m. |
| 17/05/2023 | 10:30 a.m. to 03:30 p.m. |

All the students of semester – VI are requested to attend these special guidance courses for future prospects.

Summary Report

Career guidance for post-graduation entrance tests is a crucial aspect of a student's academic journey. As students complete their undergraduate studies and contemplate further education, they often face a multitude of choices and uncertainties. This program aims to provide comprehensive guidance on post-graduation entrance tests, including the importance of these exams, strategies for successful preparation, and the benefits of post-graduate education.

Knowing the importance and relevance of such guidance program in the career graph of a student, the Department of Physiology has decided to provide such facilitative guidance to the outgoing students of Semester VI. All Departmental faculties participated in delivering special lecture sessions on specialized topics pertaining to the syllabus of entrance tests of various Universities.

Career guidance for post-graduation entrance tests is essential for students aspiring to further their education. Proper preparation, program selection, and understanding the benefits of post-graduate education are vital components of a successful academic journey. By following these guidelines, students can make informed decisions, excel in entrance tests, and advance their careers through post-graduate education.

Session 2022-23

NOTICE

Date: 20.04.2023

This is to notify for the ongoing students of 6th semester that the Department of Geography will organize a guidance program to appear in entrance examinations in post graduate courses. The time and schedule for the above program is as follows:

| Date | Time |
|------------|----------------------|
| 27.04.2023 | 10.30 am to 03.30 pm |
| 28.04.2023 | 10.30 am to 03.30 pm |
| 29.04.2023 | 10.30 am to 03.30 pm |

All the students of 6th semester are to attend on this special guidance course.

(Head, Department of Geography)

Guidance Program on Entrance to Post Graduate Courses (2022-23)

GEOGRAPHY

The department of Geography of Tamralipta Mahavidyalaya designed a Guidance Program on Entrance to Post Graduate courses in Geography. In this training the candidates will groom themselves to appear in competitive and entrance examination. The training is of 15 hours duration. The training will be taught on computer using PPT. This training program discusses different types of questions and answers. It is very helpful to students for PG entrance and Different Competitive examinations in geography.

Course Fees: Free

Eligibility: B.Sc Hons Semester-VI

Syllabus:

- Geotectonic
- Geomorphology
- Oceanography
- Climatology
- Economic Geography
- Environmental Geography
- Human Geography
- Cartographic techniques
- Statistical Geography
- Geography of India
- Soil and Bio-Geography
- Geographical Thought
- Remote Sensing
- GIS
- Disaster Management

Learning Outcome:

At end of the program students will be able to-

- * They can rectify their previous learned knowledge.
- * They can get ability to motivate themselves to give exam in MCQ or Essay type Question answer pattern.
- * They will groom to give entrance or competitive examination properly.

Aim of the Workshop

History comes with an objective to enable students for Higher education in this field includes M. A in different branches of History stream etc. Those who will not feel interest in higher education they can easily go for various competitive exam. Besides such competitive exam students can easily opt. for various clerkship exams conducted by state agencies, central agencies or private bodies. Students to flourish their future life. So, skill enhancement is the only way to flourish. Such skill enhancement requires systematic training with well guided motivational and theoretical background.

In our History department, Tamralipta Mahavidyalaya, we regularly try our best to give the best possible theoretical background and hands on training in computer learning etc. We also regularly hold various workshops and seminars and field training to build their ability with the reality. Presently for taking admission in M. A course a B.A course to central university a graduate need to pass Common University Entrance Test (CUET) and sometime university specific entrance test.

Considering the importance of Post Graduate degree in History, Department of History, Tamralipta Mahavidyalaya with the active support of Career Counselling Cell of this institute offers guidance to the final year students for different entrance test for post graduate course in History i.e. M.A in different streams and provides guidance for different professional courses like M.A, M.Phil etc. various competitive exams.

Students are able to-

1. gather information about the post graduate entrance test in commerce all over the country.
2. know about the syllabus and question pattern of the test.
3. Gather information about different professional courses like, M.A, M.PHIL etc.
4. know how to manage the time at the exam hall and trick to answer the MCQ question.
5. regular assessment and hands on training

Department of History

Notice

.All the students of B.A,History(H) 6th Semester are hereby informed that the classes for guidance for PG entrance test Will be held on as per the following schedule. This guidance classes will be very helpful to crack the entrance test for PG through out the country.So,the interested students are advised to contact the HOD to enroll their name within 10 April, 2023.

NOTICE

01.04.2023

We wish to inform everyone that the Department of Mathematics is arranging a guidance program for students in their final semester (Semester VI). The purpose of this initiative is to support and prepare them for upcoming entrance examinations into post-graduate courses. The details for the program are as follows:

| Date | Time |
|-------------|----------------------|
| 25.04.2023 | 11.30 am to 03.30 pm |
| 28.04.2023 | 11.30 am to 03.30 pm |
| 02.05.2023 | 11.30 am to 03.30 pm |
| 05.05.2023 | 11.30 am to 03.30 pm |
| 09.05.2023 | 11.30 am to 03.30 pm |

We encourage all Semester VI students to participate in these specialized guidance sessions, which are designed to enhance their readiness for future academic endeavors

Pintu Das

(Head, Department of Mathematics)

AIM OF THE PROGRAM

"In the age of Globalization, Higher Educational Institutions (HEIs) are undergoing significant transformations in their roles and functions. Today, HEIs extend beyond the conventional role of degree conferral; they play a pivotal role in nurturing students' potential to actively contribute to societal advancement and engage in nation-building.

Our Career Counseling and Guidance Center is dedicated to elevating the standard of education and arming students with the requisite skills to excel in a competitive market. In this intensely competitive landscape, the ethos of 'Survival of the fittest' holds immense relevance. Acknowledging this reality, the center takes deliberate steps to ensure students are mentally, technically, and physically equipped for forthcoming challenges, striving to mold individuals capable of making a substantial impact.

Driven by a clear vision, the Mathematics Department at Tamralipta Mahavidyalaya, in collaboration with the Institute's Career Counseling Cell, recognizes the significance of guiding and mentoring final semester students preparing for entrance tests for post-graduate programs. Pursuing a post-graduate degree offers specialized knowledge crucial for advancement in one's chosen field. Moreover, it presents an exceptional opportunity to broaden existing knowledge and acquire valuable practical experience. This knowledge enrichment can act as a catalyst for career progression toward higher echelons.

Undergraduate education often carries inherent limitations that become apparent at the post-graduate level. Hence, the Department consistently encourages its students to pursue higher education levels, empowering them to navigate the competitive market and secure promising career prospects."

TAMRALIPTA MAHAVIDYALAYA
DEPARTMENT OF MATHEMATICS

PREPARATION OF HIGHER EDUCATION FROM UG TO PG
SESSION- 2022-2023

Summary Report

The scope of MATHEMATICS as a subject is very vast. It is not possible to include all the related topics of Mathematics into the curriculum of three years degree course divided into six semesters and the students of Mathematics have to learn a lot of related subject matters in addition to their prescribed curriculum. Keeping these in mind, a carrier guidance course of 20 hours (4 hours x 5 days) on 25.04.2023, 28.04.2023, 02.05.2023, 05.05.2023, 09.05.2023 (5 days) was designed for UG (SEM-VI) students. It was notified to enroll the name of the students in carrier guidance programme. A total of 39(UG)) students of Semester-VI (UG-H) participated in the said carrier guidance programme. The entire course focused only theory classes. All the participants were instructed to prepare subject-wise study materials and to solve the previous years' question papers of different examinations, under the supervision of the concerned teacher. The teachers rectified the mistakes of the students as committed by them through instant feedback.

Finally, 25 UG students took admission into PG courses, run by reputed universities /institutions like IIT- Madras, NIT-Lucknow, ISM- Dhanbad, RKM-Belur, Vishwa-bharati, CU, VU, KU etc.

HOD

★★★★★★★★

CARRER GUIDANCE

***Tamralipta Mahavidyalaya
Department of Philosophy***

AIM OF THE PROGRAM

Since the present era is a competitive era, the ideology 'Survival of the fittest' is most applicable. By considering the situation seriously, the Department of Philosophy undertakes some deliberate measures for the benefit of the students, so that they can be mentally and academically sound.

With this vision in mind, the Department of Philosophy, Tamralipta Mahavidyalaya in support with the Career Counseling Cell of the Institute recognizes the need to guide and mentor the outgoing final semester students for various entrance tests to post-graduate courses.

Undergraduate college level education often possesses certain levels of limitations which can easily be encountered at post graduate level. So the Department always encourages its students to progress to the next higher level of education that can make them competent enough to strive through the competitive market and secure earning potential.

TAMRALIPTA MAHAVIDYALAYA

Department of Philosophy

NOTICE

This is to notify for all concerned that the Department of Philosophy will organize a guidance program for the final semester (Semester VI, 2022-23) students to facilitate them to appear in various entrance examinations to post graduate courses. The time and schedule for the above program is as follows:

02.05.2023..... 10.30 am to 01.30 pm

04.05.2023..... 10.30 am to 01.30 pm

16.05.2023..... 10.30 am to 01.30 pm

All students of semester VI are requested to attend these special guidance courses for future prospects.

Head, department of Philosophy

Report

The Department of Philosophy , Tamralipta Mahavidyalaya has organized classes for outgoing students Of Philosophy (H), final semester for the session 2022-23, to provide guidance for PG entrance test. All the teachers of the department have taken classes and the enrolled students of final year attended the classes as per given schedule.

Head, department of Philosophy

17.5.2023

Career Counselling Programme

For UG Semester Students 2022-23

TAMRALIPTA MAHAVIDYALAYA
Tamluk, Purba Medinipur, W.B. 721636

Career counselling is a process of providing guidance and support to students to make informed career decisions. It involves assessing student's personal interests, skills, values, and personality to help them to identify potential career paths that align with his/her goals and aspirations. For students, career counselling is especially important as it helps them to make decisions about their future academic and career paths. By providing guidance on the available options and resources, career counselling can help students to explore various career paths, identify potential barriers, and develop strategies to achieve their goals. To explore the different career options among the under graduate students, Career Counselling Cell of Tamralipta Mahavidyalaya organizes career counselling program every year for the students of the 1st SEM and 3rd SEM. Like all other years this year a career counselling program will be held to explore the different career opportunities for the students of BA (H), B.Sc (H) and B.Com (H).

Key Takeaways:

- ✓ Personalized guidance
- ✓ Clarity on career objectives
- ✓ Skill development
- ✓ Career planning
- ✓ Support during transition

Acquire knowledge about:

- ✓ Self assessment
- ✓ Helps individuals about their career
- ✓ Explore career options
- ✓ Make decision about their future
- ✓ Develop strategies to achieved their goals
