## **Add-On- Program** **Peace Education** Department of Philosophy, Tamralipta Mahavidyalaya, Tamluk -721636

### **Learning Outcome :**

The course on Peace Education offers the following key outcomes for participants:

- **Increased Intercultural Sensitivity:** Participants develop awareness and appreciation for diverse cultures, facilitating respectful and empathetic cross-cultural interactions.
- **Peace-Oriented Behavior and Reconciliation:** The course equips participants with conflict resolution strategies and reconciliation techniques, encouraging them to seek nonviolent solutions to conflicts.
- **Development of Intercultural Understanding:** Participants gain insights into different cultures, fostering dialogue, bridge-building, and positive relationships among diverse communities.
- **Critical Understanding of Nonviolent Social Change:** Participants analyze historical examples of nonviolent social change, learning from successes and failures to prevent future violence.
- **Theoretical Aptitude and Analytical Sophistication:** Participants enhance their theoretical knowledge and analytical skills in peace education, enabling them to evaluate peace-related issues and propose effective solutions.

These outcomes empower participants to actively contribute to a more peaceful and inclusive world, promoting understanding, resolving conflicts peacefully, and preventing violence in their communities and beyond.
